EDUCATION

Year	Degree/Certificate	Institute	CGPA/Percentage
2024-2028	Engineering & Computational Mechanics	National Institute of Technology Jamshedpur	6.64
2023	RBSE(XII)	Rajasthan Sadhana Public School, Jaipur	79.60%
2021	RBSE(X)	Rajasthan Sadhana Public School, Jaipur	94 %

EXPERIENCE

- Research & Consultancy Department**
Position: Web Developer
About work: we made the website for the R & C Department which help them to show their research work
And we manage the website and add new feature to website as their requirement
January 2025 - present
Location : College Campus
- Computational Mechanics & Design Club**
Position : Web Developer
About work : contributing in making website for the club and managing the website by updating time to time
August 2025 - present
Location : College Campus
- Team Revanta**
Position : Web Developer
About work : contributing in making website for the club and managing the website by updating time to time
August 2025 - present
Location : College Campus

Full Stack PROJECTS

- User Management Application** [GitHub Project link](#) [Live Project Link](#)
- Expense Tracker App** [GitHub Project link](#)
- Near Help Application** [GitHub Project link](#)
- UGC Application** [GitHub Project link](#)
- Basic Projects : Image Search Engine, QR-Generator, Password Generator, Weather App, Currency Converter,**

TECHNICAL SKILLS

- Programming Languages:** C/C++, Python, JavaScript
- Frontend Tech-stacks :** HTML, CSS, React, Tailwind, Bootstrap
- Backend Tech-stacks :** Node.js, Express.js
- Database :** MongoDB
- Tools :** GitHub, Postman, Vs Code
- Others Tech. Stacks :** JWT, EJS, Socket.IO, Nodemailer, Nodemon
- Operating System :** Windows

KEY COURSES TAKEN

- CSE & Math:** Introduction to C, Fundamentals of Computers, Object Oriented Paradigm in C++, Data Structures and Algorithms, Computer Organization & Architecture, Python Programming, Operating System, Database Management System, Integrated System Design, Discrete Mathematics, Numerical Methods, Computer Networks & Security, Software Engineering, Compiler Design, Computer Graphics & Multimedia
- Others:** Basic Electronics & Electrical Engineering, Engineering Drawing, Product Design & Development, Engineering Ethics and IPR, Microprocessor: Theory & Applications

CERTIFICATIONS

- Participation Certificate** by Quanta AI Lab x MVI Lab [View Certificate](#)
- Appreciation Certificate from College Director** [View Certificate](#)

ACHIVEMENTS/LEARNING

- Built Multiple full-Stack projects** [GitHub](#)
- Actively learning advanced backend concepts**
- Solving 200+ Question on LeetCode** [LeetCode Profile](#)
